A Deeper Understanding of UDL’s Impact: UDL-PLC Series

LEARN

- Review resources from the Module on “Storytelling” link: https://demo.learningdesigned.org/resource/udl-plc-module-series-storytelling
- Tell a story about how your UDL practices have impacted a student who, otherwise, would be at risk of being “left out” of instruction. Think of a student who typically would fall outside the margins and is need of support or challenge.
- Tell your story in words and in at least one other medium.

DISCUSS

Reflection and Discussion: A Deeper Understanding of UDL’s Impact:

Share your story of how changes related to UDL in your classroom have positively impacted a specific student.

Response to Colleagues:

View/listen to the stories of your colleagues. Choose one of the following topics for discussion:

- How did your colleague’s stories impact your own thinking about the value of a UDL perspective.
- Select a specific story and discuss how this relates to your school/classroom experience. What might you do differently now?
