Summary and Celebration: UDL-PLC Series

Why it is important to celebrate success:
Celebrate the success of UDL implementation at your school or district. Take a moment to thank fellow members of your school's UDL PLC. Let them know something specific they did to help you with your effort at classroom and school-wide implementation this year.

Celebrate your successes as a PLC! Decide upon a strategy where all members can be celebrated.

DISCUSS
Reflection and Discussion on the UDL-PLC journey:
Choose one of the following topics for discussion. Share your ideas and examples with your colleagues.

- Reflect on the past year of UDL implementation. Discuss your personal journey from the beginning to the end of the year. What were your “lessons learned?” How did your teaching practices change across the year and how did students respond?
- How did the UDL-PLC support you in the implementation of UDL across the year? What learning activities and discussions had the most impact?
- What do you want to focus on next year to enhance your UDL journey? What types of support will help you accomplish this?

Response to Colleagues:
Build on the ideas of your colleagues. Remember to deepen the discussion and not simply respond, "I agree" or "I plan to try that." As always, reply to at least one colleague.
